The Shadle Park
High School
Spokane, Washington

foreword

Having been the first class to complete the full four years at Shadle Park High School, we, the seniors of the Sporrان staff wish to commend our students for their outstanding athletic ability, their high scholastic standings and fine leadership in making our school truly one of which to be proud.

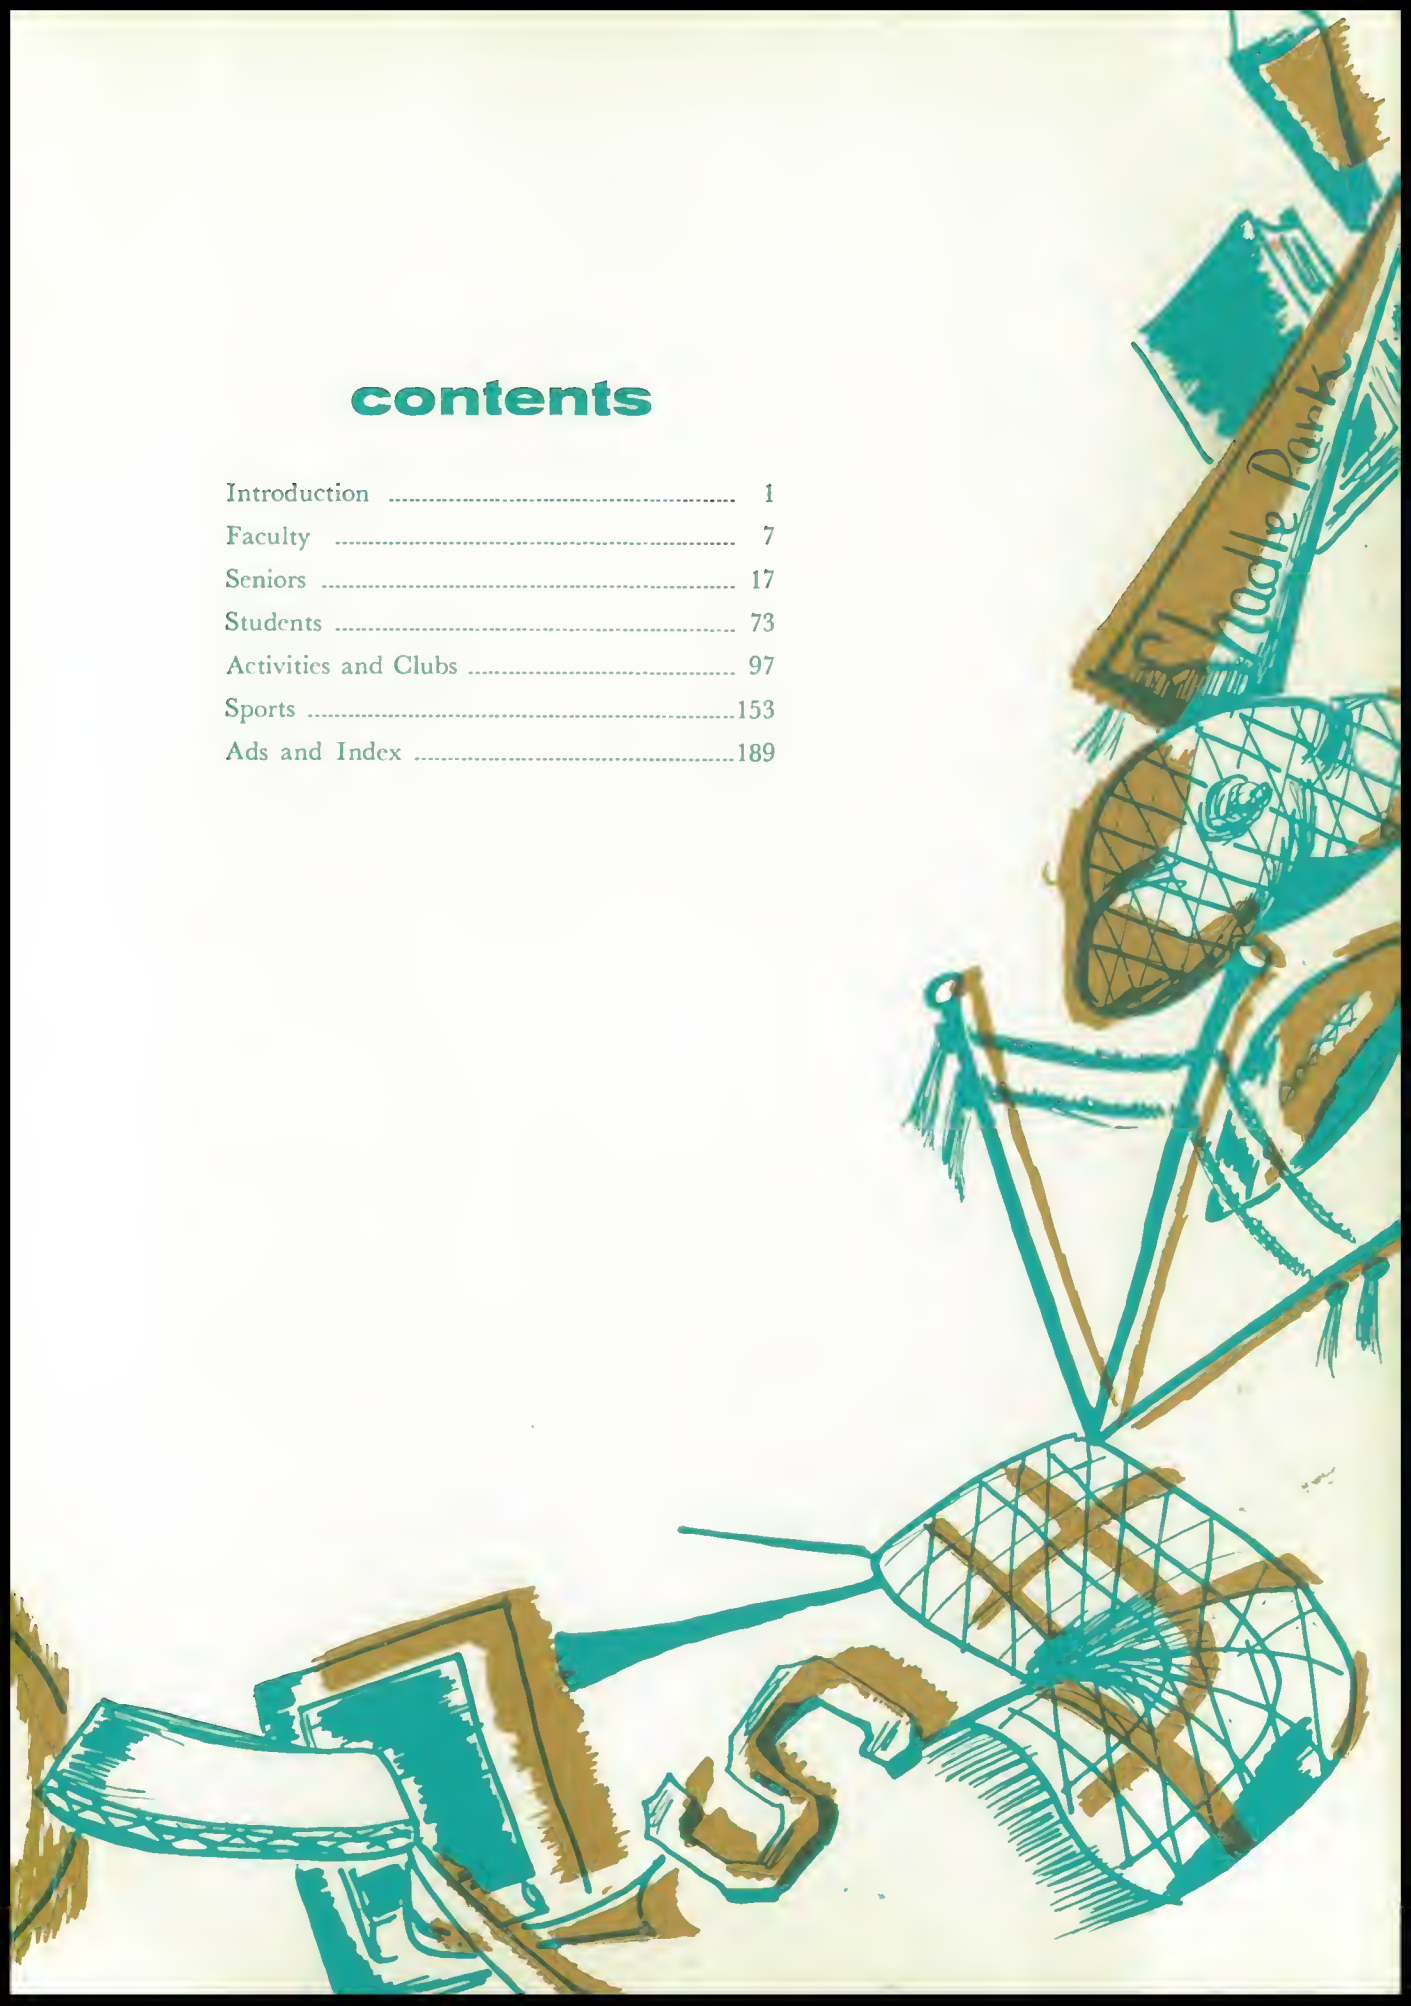

Our Sporrان, as in Scotland, carries our most valuable treasures, and is the most prized possession of every highlander. On these pages, in the years to come, many cherished memories will be relived: School dances and activities, clubs, school leaders, victories and defeats, and school songs all will be remembered.

The Henderson plaid has become a traditional symbol of our school as our green and gold colors fly high.

We hope your Sporrان will carry all the memories of your years at Shadle Park.

principal's message

Shadle Park High School this June will have completed its fourth year. You graduates of the Class of 1961 will be the first to have had all four years in this school.

This annual gives you the story in words and pictures of this part of your life. It is hoped that you have received not only a fine secondary education, but also that you have enjoyed these high school days. There have, of course, been sorrows and disappointments along with achievements and accomplishments.

Congratulations to the Class of 1961. You have given us the leadership so that the student body might fulfill the pledge given at our A.S.B. installation ceremony "to leave our school in a better state than I found it."

May you seniors continue your good work in college or wherever you happen to be. May you meet with success and may you always feel with pride that you are a graduate of Shadle Park, and in turn may Shadle Park always be proud of you.

Mrs. Painter, will you please send him to the office?

shadle through the eyes of a frosh!

When freshmen enter high school, it is a truly different world. It seems as though everything is *so* big, they are always having to look up at people and people are always looking down at them.

This is how we picture Shadle as seen through the eyes of a frosh.

You, go to the office!

Mr. Bennett will see you
now.

DUM - DEE - DUM -
DUM !!

Metal Shop brings the village smithy up to date—no chestnut tree!

Language laboratory equipment gives students a chance to listen to foreign languages and talk back, too.

Things are always cooking on the Bunsen burner in the chem lab.

Physics Laboratory

Shadle's varied laboratory courses give students an opportunity to develop manual skills or try out what is learned in theoretical studies in classrooms. These pictures are a sampling, only, of the laboratories and shops at Shadle Park. The physics experiment above is a hair-raising example of the work that goes on in these labs. A pelt on a Van de Graaff generator stands out to the amusement of the class.

acknowledgements

The Sporrán staff, conscious of, and appreciating the interest, support and assistance of the administration of Spokane School District 81, the administration, faculty, students and friends of Shadle Park high school, wishes to add these specific acknowledgements:

To the advertisers whose support helped to make this annual financially successful.

To Andy Terris for his clever cartoon figures which were the basis for the Highlander theme division pages.

To Chatteau studio for permission to use individual pictures of the football players.

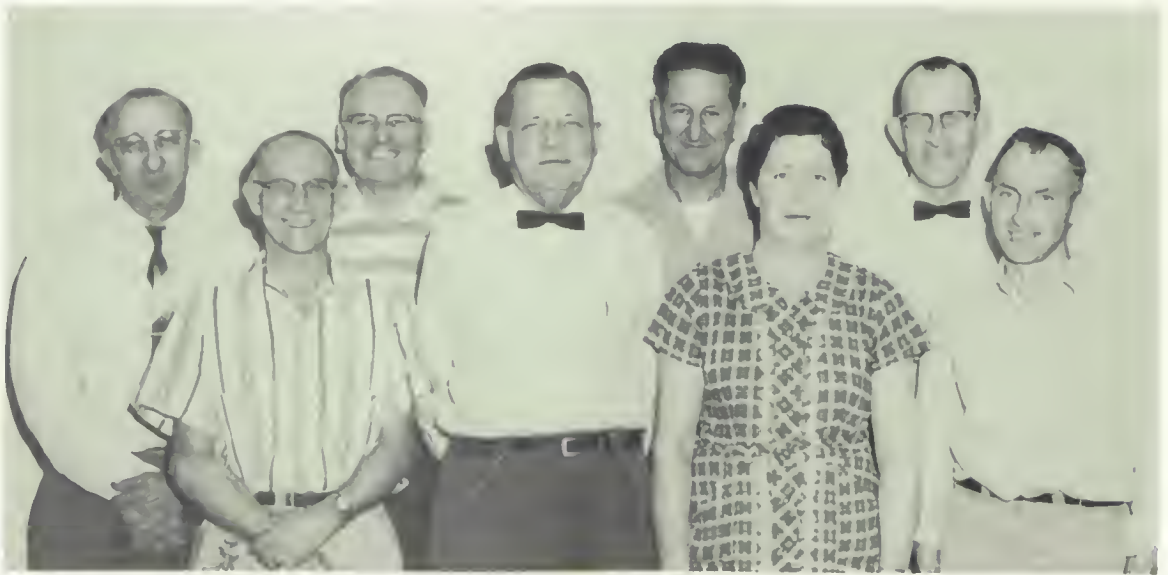

To Jim Gibson of the staff whose volunteer photography made possible the picture coverage of the state basketball tournament.

To help finance the Senior activities, the class sponsored the "Hoop Hop," money making dance.

The location and date of the Senior Prom were chosen.

Preliminary organization and work was done on the Senior Convocation.

The Class purchased the first half of the Senior gift, a Washington State Flag.

Seen hanging the poster for the "Hoop Hop" are Cheryl McBride, Sandy Anderson, and Steve Brown.

IN MEMORIAM

JACQUELINE JEAN TAYLOR

January 11, 1943 — June 5, 1960

*"Yea though I walk through the valley
of the shadow of death I will fear no
evil, for thou art with me."*

Psalm 23.4

When the class of 1961 marches down the aisle to receive their diplomas, Jackie Taylor will be present in memory only, for on June 5, 1960, Jackie marched up that long aisle to receive the diploma of eternal life.

It is hard to understand why the young who have so very much to live for are taken from us. Although Jackie's life on earth was short, her courage and faith never wavered. May that same courage and faith ever be an example to us in our journey through life.

Shadle's annual Highlander Week was climaxed by the crowning of the Friendliest Girl and Boy. The court included Jack McBride, junior; Lanny Turner, sophomore; Griff King, freshman; senior Mike Montgomery, friendliest boy; junior Karen Trent, friendliest girl; Crystal Thompson, freshman; Ursula Neltner, sophomore, and Ginny Aagard, senior.

Events throughout the year are, clockwise: Cheerleaders Ginny Aagard and Yvonne Stokke wheeling Mr. MacTavish onto the playing floor before a basketball game; Shadle and Rogers cheerleaders exchange cheers during half time of a Shadle-Rogers game; the Christmas tree decorated for our "old-fashioned" Christmas; Winston Griep, Bob Sharp, Rich Schatz and Jim Sherrill take part in the Sporan con as a barbershop quartet, and a whip cream shower as Lanny Turner, Mike Montgomery and Jack McBride had a fight with whip cream cans. Fall semester ASB president, Bill Burns, even got in on the white shower.

Fall semester ASB officers were: (seated), Linda Danahy, fifth executive; Yvonne Stokke, secretary; Ruth Green, treasurer; (standing), Mike Montgomery, vice-president, and Bill Burns, president.

The fall ASB council made the new semester at Shadle Park a very active and interesting one. To start the year off, they sponsored the annual Highlander Week. This week included: Hi-Lassie Day, Hi-Laddie Day, Hi-Teacher Day and was climaxed by an all school mixer.

The carnival, pep rallies, needy families, school dances and the student directories were all successful projects sponsored by this ASB council.

Three of the pep rallies were made especially interesting by the "Spirit Box" made by the Industrial Arts department. A car caravan pep rally was held on a Saturday for the Shadle-N.C. football game.

An ASB stamp was purchased to use at mixers and such. It was used as the "Get Acquainted Mixer," "Big Deal" morning mixer, "Toys for Tots" dance and the "March of Dimes" morning mixer to mention a few.

Some of the major accomplishments of the fall semester council include: a podium for the superintendent's office, the Honorary Highlander Plaque and also a plaque for the pictures of the ASB Presidents. Service panels to represent Shadle were chosen.

Homeroom clan names were chosen and a cafeteria clean-up was instigated.

girl's league

Fall semester Girls' League officers were: Ann Morris, treasurer; Phyllis McLellan, secretary; Sherry Ogle, president, and Kirsten Corskie, vice-president.

The purpose of the Girls' League is to develop unity and better understanding through fellowship; to encourage high ideals of citizenship toward school, community and country; to render loyal service; to develop leadership; to promote the welfare of all girls in the school; and to cooperate with the Associated Student Body of Shadle Park High School.

The League, under the direction of Miss Helen Cleveland, Mrs. Irma Painter, Miss Gilberta Albo, Mrs. Hazel Bardsley and Mrs. Olga Iverson, has carried on, in the fine tradition of the past several years, with many annual events. The Dad-Daughter Dessert, "Dad and I," was held in October with Rusty Kenney and Pat Parmley as general co-chairmen.

The Girls State convocation and a convocation on "Good Grooming and Taste in Clothes" were both enjoyable and informative. Kialynn Wampler and Pat Fisk told of their experiences during the week at Girls State held in Ellensburg. Mrs. McKevitt, of the Crescent, spoke to the girls on good grooming and good taste.

The annual Sadie Hawkins dance was presented in November and the Cotton Day dance. "Spring Fever," was held in March. A cake walk at the annual carnival was sponsored by the League.

During the Christmas season the Girls' League worked with the ASB in providing for nine needy families, all of whom appreciated their efforts very much.

As a final action, the fall League officers had the Girls' League Hymn printed and it was sung by all the girls during the installation of spring officers.

The Mother-Daughter Reception, following a Japanese theme, was given in May with Marion Bowker as general chairman. A style show, "Miss Simplicity," was also presented during the spring with Carol Sayles as chairman.

Spring semester Girls' League officers are (seated), Jeanne Clouse, president; Yvonne Stokke, secretary; (standing), Dianne Pruitt, treasurer, and Sally Anderson, vice-president.

"Spring Fever" king and queen, Frank Vokacek and Sharon Kiourkas, are shown after their coronation and also during "their" dance. Other candidates were: Juniors Karen Trent and Jon Barstad, Sophomores Linda Kerr and Ed Bennett, and Freshmen Pat Irby and Jerry Bennett.

The girls of Shadle invited their fathers to the fourth annual Dad-Daughter Dessert. The evening was enjoyed by all who attended.

The Hi-Lassies, Shadle Park's marching unit, is a group of girls the school can really be proud of. The girls could be seen on the football field in their green dress uniforms doing precision marching. During basketball season they could be found in the first two rows at the Coliseum yelling their hearts out for our team. At "State" they cheered our team on to fourth place.

At the annual carnival held in November the unit had the cotton candy machine. Whenever asked, the girls were ready and willing to usher at various occasions, such as the State District Wrestling meet and the All-Northwest Music Conference.

The senior Hi-Lassies had a half time show at their annual dance held in January, "The Semester Slam."

Their many activities this year included an all-city marching unit party and a convocation, "And Then There Were Fifty," in which every Hi-Lassie had a part. On May 6 they journeyed to Wenatchee with the band to march in the Apple Blossom Festival. They also marched in Spokane's Lilac Parade on May 20.

To make this year complete the graduating seniors will be honored at a luncheon May 27 at the Desert Caravan Inn.

The girls are under the direction and supervision of Mrs. Charlotte Jones.

high school red cross

Shadle's Red Cross representatives for this past year have been very active working on many varied projects and activities. Foremost among these this past year was Shadle's participation in the International School Music Program which was completed last month. With the assistance of Mr. Melvin Kornmeyer and Mr. John Harris, the representatives recorded the singing of the Treble Tempos, Highlandaires and the Girls' Ensemble along with the music of our hand. This tape was sent to the national Red Cross office where it will be sent overseas for the benefit of school children abroad.

The three representatives this year were Mary Lee Gillette, Margaret Mueller and Jim Furlong. These three people attended a city-wide meeting every month where they met with representatives from the other city and county schools to plan the program for the next month.

Throughout the year, different schools at different times have presented musical programs at the Fairchild Hospital and the Geiger Field Service Club. These programs are made up of volunteer talent from Shadle who give up their time to perform for our service men. Three programs of this type were presented.

On April 19, the H.S.R.C. presented their morning mixer, "April Showers." A contest was run to see who would win free entrance to the dance by guessing the correct number of pins in a jar. The money that was made from this dance was used to send the representatives to the Leadership Training center this summer.

Donnelle Alger, a Shadle senior, was one of the many students who participated in the shows for service men.

This year's Sporran staff, under Editor-in-chief Sharon Kiourkas, tried a new experiment with an annual delivered in the spring with a supplement to be printed during the summer with the last-minute activities pictured.

Rated as one of the best in the Northwest, the Shadle Park High School band had a very active year. As official representatives of the school's colors, the group not only aided school spirit at the games, but won honors elsewhere. The Highlander bandmen participated in the Spokane Lilac and Wenatchee Apple Blossom parades. Truly the Shadle Band is an example of success!

summing up

The Shadle Park Highlanders opened their season by taking third place in the Merry-Go-Round. The following week they played the West Valley Eagles. After W. V. scored first, Steve Sullivan took the kickoff and romped 79 yards for the touchdown. W. V. was held on downs, and Jim Paton, showing some of the power that was to make him an All-city selection, took the handoff and went off tackle for 49 yards and the second Shadle T.D. The Highlanders were behind at the half 19-18 but came back strong and the Shadle pass defense held W. V. to few completions as the Highlanders did all the scoring. The score was a 36-19 victory for S. P. In the second league game the Highlanders were beaten only in score, after out-playing the Rogers Pirates for three and one half quarters and scoring first in the final period. The Highlanders let down and were beaten 14-7. The next week the Highlanders defeated Central Valley 13-0. Shadle's defense was the bright spot as it held the C. V. offense to a net 7 yards. After one of the roughest week's practices during the season the Highlanders rolled over the Gonzaga Bullpups 18-14. The Shadle attack was as sharp as the defense had been, as Tom Conlon seemed to regain the form that made him an All-city honorable mention as a junior. Tom had a terrific day as he sparked the Highlander attack with bootlegs and passes that were near perfect calls. This defeat was the only one the Bullpups were to receive all year, as they finished high in the state rankings. The following week the Highlanders traveled to Pasco and downed the Pasco team 27-7. The defense again looked sharp but Ken Brown stole the spotlight and ran wild for over 100 yards rushing. Jim Paton had another great night on defense making half of the S. P. stops. The next week the Highlanders lost a bitter game to North Central 28-7. Jim Paton was the spark for the Laddies as he recovered an N. C. punt fumble and on the next play roared 23 yards for the touchdown. The score at the third quarter was 14-7, but Shadle couldn't hold the offense down. The last league game was played against the Lewis and Clark Tigers. The game started to be a Shadle runaway but the attack bogged down and the game ended in a 13-13 tie. Jack Whichterman stood out as he caught a pass for the touchdown. Jim Paton ran off guard for the other Shadle T.D. In the final game of the season the Highlanders downed the Pullman Greyhounds 12-0. Shadle finished fourth in the city with a 3-2-1 record, overall the record was 5-2-1.

state tournament action

Shadle's Barry Livengood, the most consistent Highlander player in the state tournament, shows the form that earned him a berth on the second team all-state. Ed Bennett and Vic Johnson wait for the rebound as Shadle beat Wapato 67-45.

Big Vic Johnson hooks one over the defense of an opposing Mt. Vernon player. The Ladies won this one 60-53.

tournament tally

On opening day at Seattle Shadle downed a strong Mt. Vernon five 60-53. Barry Livengood led the S.P. attack with 16 while Vic Johnson had 15 and John McFarland 11. In the second game Shadle was caught ice-cold by red hot Kent-Meridian as the Royals shot 57 per cent in the first half and won, going away, 74-45. Jim Halte scored 29 points. Kent had the tallest player in the tourney, 6-11 Steve Roberts. McFarland made 14 rebounds for Shadle compared to only 18 by Skyscraper Roberts. In the next game, Shadle took revenge on Sealth 51-43. Johnson led Shadle with 19, Livengood had 15. Shadle made it three-in-a-row over Wapato by downing the Wolves 67-45. This gave the Highlanders fourth place in the state tournament. McFarland led the Highlanders with 18 points. Livengood scored 14, Vic Johnson 12, Ed Bennett and Frank Vokacek, 8 each. Shadle closed the tournament race with a season record of 21 wins and three losses.

The Highlander squad received this trophy symbolizing their City League championship.

Coach Paul Henley presents co-captain Barry Livengood with his trophy as the most inspirational player on the Highlanders squad.

Coach Paul Henley, "King" of the city league is surrounded by his starting lineup, (left to right): Frank Vokacek, Bob Stephan, John McFarland, Vic Johnson and Barry Livengood. Henley is holding some of the "loot" accumulated throughout the season.

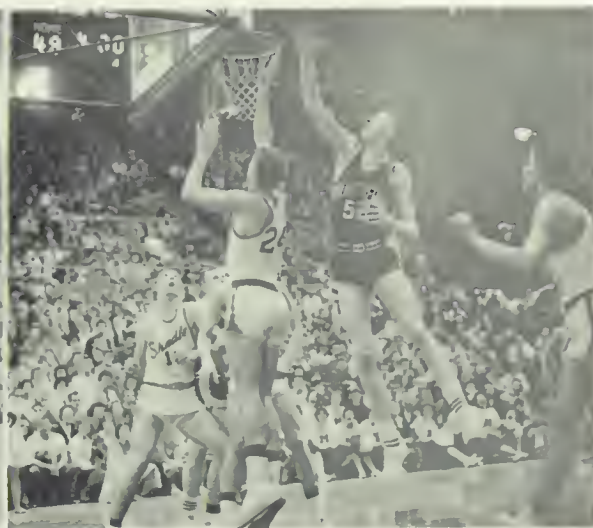

John McFarland receives his trophy as one of the co-captains.

Now it is Frank Vokacek's turn to score as Vic Johnson and John McFarland stand ready to lend helping hands.

Vic Johnson looks like he is about to go down for the last time. However this was just one of his many trips up to the basket as he scored 15 big points in Mt. Vernon game.

season's

The Shadle Park Highlanders opened their city league basketball season with an easy 51-33 victory over Gonzaga Prep. The Highlanders turned aside the Bullpups with little trouble as John McFarland pumped home 19 points. The score at the half was 20-13 for S.P. and the difference was never less than 6 points after that. The next game the Highlanders ignored the pregame dope favoring Central Valley and beat the Bears soundly 48-36. Shadle never trailed against CV, leading 23-15 at the half. Barry Livengood led the highlanders with 20 points. Livengood and McFarland received the "Prepster of the Week" awards for the first two weeks of city league action. Shadle next rolled over North Central 51-40. The sportswriters began to take notice and one commented: "With every game, the Highlanders continue to be more impressive with their solid, balanced attack." Against NC, Shadle, now boasting an 8-game winning streak, zipped away to a 10-0 lead and the margin was never less than 8 points. John McFarland led the winners with 14 points. Also this week, the Highlanders were rated first in the state by the AP poll. Shadle Park continued to roll on as they defeated West Valley 49-41 and pulled into first alone with a 4-0 league record. Another newspaper comment: Shadle Park, rated No. 1 class AA team in the state, made believers out of most of the Coliseum crowd last night by dumping WV." Shadle moved the winning streak to 10 by beating Lewis and Clark 56-32. Vic Johnson scored 17 and Frank Vokacek 14 points. Out of the league Shadle won its 11th, 69-62 over Kellogg. The next game the Coliseum roof fell in as Shadle lost to Rogers 60-59 in a second over-time. The loss threw the league into a three-way tie. Barry Livengood moved up to second in the city scoring race with 21 points. The loss stunned the Scotsmen as Shadle went down to its first, and only, defeat in league play.

Bob Stephan adds two more to the total to make it 6-1 as the Highlanders jumped to an early lead over Mt. Vernon. John McFarland and Vic Johnson appear to be momentarily squeezed out of the play.

It is Bob Stephan once more scoring, this time against Mt. Vernon.

summary

At the beginning of the second half of play Shadle met a much improved Gonzaga team and rallied to beat them 50-47. Gonzaga led most of the way but didn't have it when the pressure was on. John McFarland led S.P. with 16 points as the balanced attack of the Highlanders was too much for the Prep in the final minutes. Vic Johnson had 11 and Frank Vokacek had 10 and Barry Livengood had 8. Shadle again showed its mastery of Central Valley as they downed them 53-46, the final score hardly told the story as Shadle was never in trouble and had a lead of 50-35 in the fourth quarter. Vic Johnson led the attack with 15 and McFarland had 13 with Livengood scoring 12. This proved to be the most balanced scoring in the city. The trio always seemed to stay close to each other in the double figures. Shadle next took on North Central and routed the Indians 71-39. The only way to describe the game is "it was a slaughter." S.P. took off in the first period and led by as much as 51-24 and 58-27. Shadle coach Paul Henley played 13 men with nine scoring. John McFarland led Shadle with 18 and Barry Livengood had 16. Other high scorers were Bob Stephan with 13 and Frank Vokacek with eight. Shadle in the next game played West Valley and beat them 57-48, Barry Livengood answered the call when the pressure was on as he did all season by coming out after the half and made two straight field goals and Shadle went on a scoring spree that saw the score climb to 38-34 for Shadle from 24-18 for W.V. Johnson led Shadle with 19 points and Livengood was close behind at 18. When Bob Stephan fouled out with the score at 44-36, Ed Bennett came through with three quick points. Livengood hit a driving shot to push S.P. in front, 50-40. Shadle's record now stood at 9-1 with the Highlanders ranked fourth in the state. Shadle won the city league title in its next to last game by trouncing L.C., 49-34. Vic Johnson led Shadle with 21 points for which he received the "Prepster of the Week" award. Most of Vic's shots came from the free throw line as he hit 13 of 19 gift tosses. This was the first major sports title won by Shadle in its three years as a school. In the final game Shadle got sweet revenge by slugging Rogers, 58-53. John McFarland came off the bench with a bad throat and poured in 21 points to lead S.P. Vic Johnson got 18; Bob Stephan got 9. Barry Livengood again shined under pressure by getting all five of his points in the closing minute to break the ball game wide open. John McFarland grabbed first place in the rebounding department with Vic Johnson getting third. For the first time in more than 5 years a team placed three men on the All-City first team. Barry Livengood, John McFarland and Vic Johnson all landed first team berths in both of the city papers. Shadle also finished third in the state poll.

Front—Doug Ross, Lyn Holmes, Ron McCartney, Jim Dudley, Myer Ziman, Jim Farrow. Back—Jack Fontaine, Ron Bickerstoff, Ed Fiskland, Al Leary, Howard Yarbrough, Terry Kolb, Brian Yost.

Myer Ziman, 14, goes up high for two points against Mead. The future varsity team beat Mead 42-28.

Coach Lyle Pugh

Assistant Coach Bill Via

Although Coach Pugh's varsity wrestling squad compiled a season's record of four wins against eleven losses, Coach Pugh feels they had a very good season with excellent chances for next year. This is seen in the varsity team members with only four seniors on the squad. The team did well in the district meet with two first places, three second places and a fourth place in the district. Rick Leifer, a junior, was a district champ at 115 pounds and Wally Hamilton was district champ at 136 pounds. The squad also did well at the state meet with five wrestlers entering. These were: Rick Kimery, a sophomore at 106 pounds; Rick Leifer, 115; Raleigh Morris, a sophomore, second place at 123 pounds; Wally Hamilton, 136; and Chuck Laughery, a junior at 168 pounds placed second in the meet.

varsity gymnastics squad

Gymnastics made its first appearance this year as a varsity sport. Under the able direction of Lyle Pugh, this program started three years ago as a co-educational project in P.E. and has finally warranted enough interest to become a varsity sport. The main aims of gymnastics are physical condition, coordination and balance. Coach Pugh makes his pupils work hard to achieve all these benefits. Some of the various events performed in gymnastics are free exercise, tumbling, vaulting box, rope climbing, trampoline work and parallel bars.

Sherrie Stutzman does the splits while doing her warm ups.

Sharon Allen is shown doing a half back on the trampoline.

Coach Lyle Pugh watches Doug Jones doing one of the harder gymnastics stunts.
